I understand that the Xdrenalin™ Zone Paintball Sponsored Player Program is for me - the designated Sponsored Player only. I also understand that I am purchasing paint at wholesale, or near wholesale price, and may not resale, trade or barter paint to any non-sponsored player from Xdrenalin™ Zone. I also understand that in consideration of the ability to purchase paint at these prices, I will only shoot Xdrenalin™ Zone paint at Xdrenalin™ Zone Parks (vs. paint purchased or received from a non-Xdrenalin™ Zone source). However, I am free to shoot paint purchased from this program at any other park or place that is sanctioned for paintball. I agree not to remove any stickers from boxes or bags of paint. I also agree not to wear any logos/advertisements from any Texas paintball store or park anywhere on me or my equipment while playing at Xdrenalin. I further agree to follow all rules of Xdrenalin™ Zone and refrain from fighting, profanity or any action that may reflect poorly on me, my team or Xdrenalin™ Zone. I may forfeit this sponsorship if my actions warrant. Xdrenalin™ Zone may change, alter or adjust or end this program at any time, for any reason.

In order to efficiently communicate with me, I give permission for Xdrenalin™ Zone to email me and conduct surveys to better serve me. Xdrenalin™ Zone agrees to keep this information private and will not share specific information with any outside company, person or entity. Email communication is a mandatory to participate in the program.
